Entering into this Agreement

This Agreement is between KogoPAY (UK) Ltd and you, the customer. It sets out the terms on which KogoPAY provides payment services to you.

These Terms & Conditions apply to:

- use of the KogoPAY website and mobile application;
- the sending and receiving of domestic and international payments; and
- the purchase or sale of currency as part of a payment transaction.

You must be at least 18 years old to use our services. If you are opening an account on behalf of a company, you confirm that you are authorised to act on that company's behalf.

By registering for our services, you agree to be bound by these Terms & Conditions. We reserve the right to amend them from time to time. Material changes will be communicated to you by email at least 30 days before taking effect. Your continued use of our services following notification will constitute acceptance of the amended terms.

1.0 Our Services

1.1 What We Do

KogoPAY provides the following payment services under its SPI registration:

- Money remittance — domestic and international transfer of funds on your behalf;
- Execution of payment transactions including credit transfers; and
- Currency exchange as an ancillary service to payment execution.

KogoPAY does not hold funds on your behalf beyond the time necessary to execute a payment. We do not provide payment initiation services (PIS) or account information services (AIS).

1.2 Your KogoPAY Account

To use our services you must register for a KogoPAY account via our mobile application or website. There are two account types: Individual and Business, each subject to the registration and verification requirements set out in Section 2.

Your account gives you access to our payment platform, where you can initiate transfers, view transaction history, and manage your profile. Your account is personal to you and must not be shared.

1.3 Currency

Payments may be executed in GBP and a range of supported foreign currencies. Currency exchange rates applied to international payments will be disclosed to you at the time of each transaction before you confirm the payment. Exchange rates are indicative until the transaction is confirmed and may vary.

1.4 Transaction Execution

Once you submit a payment instruction, it is treated as a final instruction. KogoPAY will make all reasonable efforts to execute payments within the timeframes set out below:

- Domestic payments: same business day, subject to receiving cleared funds.
- International payments – same day: subject to cut-off times and correspondent bank processing.
- International payments – next day: by end of the following business day.

KogoPAY will not be liable for delays caused by correspondent banks, technical outages, or circumstances beyond our reasonable control. You must notify us as soon as possible if a payment is not received by the expected time.

1.5 Amendments and Cancellations

Instructions once submitted cannot be cancelled or amended without our written consent. If you request an amendment, we will use reasonable efforts to accommodate it; any costs incurred will be charged to your account. KogoPAY is not responsible for losses arising if an amendment cannot be processed.

2.3 Ongoing Verification

We may request updated verification documents at any time to comply with our regulatory obligations. You must notify us promptly of any changes to your registration details, including address, directorship, or beneficial ownership.

Providing false or misleading information may result in account suspension, closure, and referral to relevant authorities.

2.4 Account Approval and Rejection

KogoPAY reserves the right to accept or reject any application at its sole discretion and without being obliged to provide reasons. We may impose conditions on your account at any time if required by law or our internal compliance policies.

3.0 Funding & Payments

3.1 Depositing Funds

You may fund your KogoPAY account by:

- Bank transfer to the nominated account shown in the Deposit section of the app;
- Debit card payment (fees apply — see Annex 1).

Deposits will be allocated first to any outstanding transaction fees, then to any pending obligations, with the remainder credited to your account balance.

3.2 Card Verification

All debit card deposits are subject to 3D Secure verification by your card issuer. If your card issuer declines to authorise a payment, the deposit will not be processed. KogoPAY does not store your card details.

3.3 Sending Payments

Payments can be sent to:

- Other KogoPAY accounts
- UK bank accounts
- International bank accounts and
- Partner wallet networks

Payments will only be processed when cleared funds are available in your account. KogoPAY is not obliged to process a payment if your account has insufficient funds to cover the amount plus all applicable fees.

3.4 Cleared Funds

Your payment obligation to KogoPAY is only complete when cleared funds in the full amount have been received. KogoPAY is not liable for any delay or loss arising from incomplete or delayed funding of your account.

4.0 Fees & Charges

Applicable fees are set out in Annex 1. Some fees may be collected in a currency other than GBP. In international transfers, overseas correspondent bank charges may be applied by the receiving institution and are outside KogoPAY's control.

Fees are subject to change. Where a change is material, we will provide at least 30 days' notice by email before the change takes effect. Non-material changes (e.g., minor corrections) will be updated on our website without advance notice.

5.0 Account Management

5.1 Account Security

You are responsible for maintaining the confidentiality of your login credentials. You must notify us immediately if you suspect unauthorised access to your account. KogoPAY will not be liable for losses arising from unauthorised use of your account where you have failed to take reasonable steps to protect your credentials.

5.2 Account Suspension and Termination

KogoPAY may suspend or terminate your account at any time if:

- you breach these Terms & Conditions;
- we are required to do so by law, a regulator, or a court order;
- we have reasonable grounds to suspect fraudulent or unlawful activity; or
- you provide false or misleading information.

Upon closure, any remaining balance net of fees and obligations will be returned to you. You should ensure your payment details held with us are kept up to date.

5.3 Account Closure by You

You may close your account at any time by giving 30 days' written notice to customerservice@kogopay.com. Any pending transactions will be completed before closure.

5.4 Assignment

KogoPAY may assign its rights and obligations under these Terms & Conditions to another company on giving you at least 30 days' notice. Your rights will not be affected. We may also transfer your account to a new service provider on the same notice period; if you do not object within 30 days, you are deemed to have consented.

6.0 Anti-Money Laundering & Compliance

KogoPAY is required to comply with the Money Laundering, Terrorist Financing and Transfer of Funds (Information on the Payer) Regulations 2017 and the Proceeds of Crime Act 2002 (POCA).

As part of our compliance obligations, we may:

- request additional information or documentation from you at any time;
- delay, block, or refuse a transaction where we have compliance concerns;
- report suspicious activity to the National Crime Agency (NCA) without notifying you; and
- share sender and recipient details with receiving payment institutions as required by the Transfer of Funds regulations.

We are legally prohibited from alerting you if a report has been made to the NCA where doing so might prejudice an investigation. In certain circumstances our legal obligations will override our duties of client confidentiality.

KogoPAY is also registered with HMRC as a Money Service Business (MSB) under the Money Laundering Regulations.

This means that in the unlikely event that KogoPAY becomes insolvent, you may lose any funds held in transit. KogoPAY does not hold client funds beyond the time necessary to execute your payment instruction.

You can verify KogoPAY's regulatory status at any time on the FCA Financial Services Register at www.fca.org.uk/register.

9.0 Liability & Disclaimer

We do not accept liability for:

- delays or failures caused by third-party banks, networks, or service providers;
- losses arising from your failure to maintain accurate beneficiary payment details;
- exchange rate fluctuations between the time of instruction and settlement; or

Where we are in breach of these terms, our liability is limited to making the relevant payment again or refunding the fee paid.

Nothing in these Terms & Conditions limits our liability for fraud, death, or personal injury caused by our negligence, or for any liability that cannot be excluded by law.

10.0 Acceptable Use

You must not use KogoPAY's services for any unlawful purpose, including but not limited to:

- money laundering or terrorist financing;
- fraud, deception, or misrepresentation;
- sanctions evasion; or
